

# USSD Learning Center

## Getting Started Guide

### **Introduction**

USSD created the Learning Center as the portal to access its webinars and other training programs. You'll have access to on-demand webinars that are self-paced and have the ability to earn professional development hours. A PDH certificate will be generated automatically upon completion of each webinar. Once you create a record and register for either an on-demand webinar or live training, the USSD Learning Center will track webinars purchased, and your professional development hours earned.

### **USSD Learning Center Access**

You can access the USSD Learning Center from the USSD website from the top-level Learning Center main menu option. Or you can access the USSD Learning Center directly by clicking [HERE](#).

### **Log In**

USSD members should use their regular USSD member record log in information to access the USSD Learning Center. Non-member can gain access by registering [HERE](#).

### **Getting Started**

Access the [Getting Started](#) page to help you get acquainted with the USSD Learning Center. Follow the three steps to become familiar with this resource. Remember that members will need to login as they would to access their member portal and nonmembers need to create a record before gaining access to the Learning Center.

### **Purchase Webinars**

Webinars are available for viewing immediately upon purchase and can be paused at any time and played at a later time. You can view the list of webinars in the [Catalog](#). Once you finish the webinar, you will need to complete the evaluation. Once completed, you can download your Professional Development Hours (PDHs) Certificate. Once purchased, you have 1-year to view the webinar and complete the steps to obtain your (PDHs) certificate.

### **Track Your PDH and Other Credits**

You access your PDH history and transcripts from your [Dashboard](#). You can import and add transcripts from other organizations inside the Dashboard on the transcripts page [HERE](#).
