## MEMBERSHIP HAS ITS BENEFITS

Not a member?

Besides being associated with the premier dam and levee organization, membership in USSD has its benefits.

- USSD Bulletin subscription
- Ability to include member news in upcoming Bulletin issues
- Member pricing for conferences and workshops
- Opportunity to serve on technical committees to help advance the community of practice
- Free website job postings
- Member pricing on advertising

Executive Director Sharon Powers, USSD President Dean Durkee, and Vice-President Denise Bunte-Bisnett, participated in ASCE's Legislative Fly-in last week in Washington DC. The group met with their respective state representatives to advocate for needed infrastructure funding.

- ICOLD membership included with your USSD membership
